

Maximilliano Felix Gunawan

Computer Science & Foreign Languages Student

Taichung, Taiwan | +886 987007213 | maxfelix05@gmail.com | LINE: @zhongm1ng

PROFESSIONAL SUMMARY

Computer Science and Foreign Languages double-major student at Asia University with hands-on experience in web/app development and data science. Advanced English and basic Chinese proficiency, with a consistent record of leading academic group projects throughout high school and university. Experienced in cross-cultural education as an English teaching assistant, and passionate about applying data-driven insights to solve real-world problems.

EDUCATION

B.S. in Computer Science and Information Engineering — Asia University, Taichung, Taiwan
(Expected 2027)

Second Major: Foreign Languages & Literature

Senior High School Diploma — Santa Maria Senior High School, Surabaya, Indonesia (2020 – 2023)

PROFESSIONAL EXPERIENCE

Part-Time Associate — PX Mart (Wufeng), Taichung, Taiwan (May 2025 – Present)

- Manage digital order fulfillment by processing requests from FoodPanda, Uber Eats, and the PX Mart app, ensuring accurate product selection and packaging for delivery.
- Maintain store efficiency through systematic inventory replenishment and restocking of products.

Student Assistant — International College, Asia University, Taichung, Taiwan (May 2024 – Present)

- Provide administrative guidance to international students, assisting with Alien Resident Certificate (ARC) and Work Permit applications.
- Facilitate communication between international students and their respective departments to resolve academic or administrative issues.
- Perform trilingual translation services (Chinese to English/Indonesian and vice versa) to support office operations and student-staff interactions.
- Support faculty and staff with administrative tasks and organizational duties within a multicultural academic setting.

Teaching Assistant — ELTA, Taichung, Taiwan (Apr 2024 – Present)

- Facilitate English-medium educational sessions for elementary and junior high school students.
- Bridge cultural gaps by introducing global concepts through interactive activities such as basketball and board games.

Game Master — 3 Frogs, Surabaya, Indonesia (May 2023 – Aug 2023)

- Served as a bilingual Game Master, explaining complex board game mechanics in Indonesian and English to local customers and international tourists.
- Mastered an extensive library of board games to provide clear, step-by-step instruction for new players.
- Managed cashier duties and handled point-of-sale transactions with accuracy and professionalism.

TECHNICAL PROJECTS

Taiwan Fare Finder — Mobile App (Flutter, Dart)

- Built a fare calculation system supporting multiple public transportation types across Taiwan.
- Designed an API-ready architecture with offline fallback.
- Implemented a multilingual UI (English, Chinese, Indonesian) for international users.

BoardGames Analyzer — Data Science & Recommendation System (Python, NLP)

- Developed a recommendation model using similarity-based and NLP techniques.
- Built an explainable recommendation interface to enhance user decision-making.

PX Mart Finder — Web-Based Retail Search Prototype (React, TypeScript)

- Implemented fast filtering logic using React and TypeScript.
- Designed the system to simulate real-store product search for optimized shopping.
- Built as a business-oriented prototype solution for retail efficiency.

Prambanan Batik — Full-Stack E-Commerce Website (PHP, MySQL)

- Developed the backend using PHP and MySQL.
- Structured the system to handle large product datasets (1,000+ items).
- Implemented a cart and order form with marketplace integration.

SKILLS

Programming & Frameworks: Python, PHP, TypeScript, Dart, Flutter, React

Data Science: Natural Language Processing (NLP), Sentiment Analysis, Recommendation Systems, Similarity Modeling

Databases & Tools: MySQL, Microsoft Excel, Microsoft PowerPoint, Microsoft Word

Languages: Indonesian (Native), English (Advanced), Chinese (Basic Proficiency)

Soft Skills: Problem Solving, Team Leadership, Cross-Cultural Communication, Decision Making, Time Management
